NileCart — Terms of Use

NileCart · Effective 1 October 2026 · Version 2.4

1. Account and Ordering Rules

- You must be at least 18 years old to create an account and place orders.
- Keep your account information accurate and up to date, especially your phone number and delivery address.
- One personal account per customer; accounts created with false information, or multiple accounts used to abuse promotions, may be suspended.
- Keep your password confidential and contact support immediately if you suspect unauthorized use of your account.
- By placing an order you confirm that the delivery address is reachable by our carriers during delivery hours (9:00 AM to 9:00 PM, Saturday to Thursday).
- Quantity limits may apply to high-demand items; the limit is shown on the product page when applicable.
- Returns are accepted within 30 days of delivery, except electronics (14 days) and clearance items (7 days), under the Returns and Replacement Policy.

2. Pricing and Availability

- All prices are in Egyptian pounds and include 14% VAT unless stated otherwise.
- Prices and promotions can change without notice until your payment is confirmed; the price shown at checkout is the price you pay.
- If a price is clearly displayed by mistake, we may cancel the order and refund any amount paid in full.
- Product availability is not guaranteed until you receive the order confirmation email; if an item becomes unavailable after you order, we cancel that item and refund it in full.
- We do not backorder out-of-stock items; unavailable items must be ordered again when they return to stock.
- Only one promotion or discount code can be used per order; promotions cannot be combined unless stated.
- The original shipping fee of an order is non-refundable for change-of-mind returns, as detailed in the Refund Policy.

3. Payment Methods and Cancellation

- We accept Visa, Mastercard, Meeza, Fawry payments, and cash on delivery (COD). Fawry payments are made with a reference code through the FawryPay wallet or at any Fawry outlet. COD carries a fee of 25 EGP per order and is available for orders up to 15,000 EGP.
- Card and wallet payments are captured immediately at checkout; Fawry payments must be completed within 48 hours or the order is cancelled automatically.
- You can cancel an order at any time before it is dispatched, from your account page or by contacting support.
- Orders that have already been dispatched cannot be cancelled; please use the returns procedure instead once the parcel arrives.
- If a cancellation is approved, the refund follows the Refund Policy: card and wallet payments go back to the original method, Fawry outlet payments go back by bank transfer, and COD orders were never charged so nothing is refunded.
- We may refuse or cancel orders that appear fraudulent, and any payment taken on such orders is refunded in full.
