NileCart — Delivery Policy

NileCart · Effective 1 October 2026 · Version 2.4

1. Delivery Times per Zone

Delivery times below are in business days counted from dispatch. Dispatch itself happens 1 to 2 business days after the order is accepted (see the Shipping Policy). Business days are Saturday to Thursday.

Zone	Delivery time (business days from dispatch)
Cairo & Giza	1–2 business days
Alexandria	2–3 business days
Delta	3–5 business days
Upper Egypt	4–6 business days
Remote Areas	6–10 business days

- Example: an Alexandria order confirmed before the 2:00 PM cut-off on Saturday is dispatched on Sunday or Monday (1 to 2 business days) and normally arrives between Tuesday and Thursday (2 to 3 business days after dispatch).
- Delivery hours are from 9:00 AM to 9:00 PM, Saturday to Thursday. There are no deliveries on Fridays.
- The courier sends an SMS the evening before the delivery day with an estimated time window of 3 hours.
- Any adult at the address can receive the parcel by showing the tracking SMS or a valid ID matching the order name.
- For apartments and offices, the courier delivers to the building entrance and calls the phone number in the order.
- Remote Areas deliveries can be extended by weather conditions or road closures; the tracking page is updated with the new estimate.

2. Failed Delivery Attempts

- The courier makes up to 3 delivery attempts for each parcel, on 3 different business days. You receive an SMS before every attempt.
- If you know you will not be available, use the rescheduling link in the SMS to pick another business day at no charge.
- If all 3 attempts fail (for example because the address is wrong or nobody is available), the parcel is held for 7 business days at the nearest SwiftShip branch (or Egypt Post office for Remote Areas).
- You can collect the parcel from the branch with your order number and a valid ID during the holding period; collection is free.
- If the parcel is not collected within 7 business days, it is returned to NileCart. A prepaid order is then refunded under the Refund Policy, except for the original shipping fee, which is not refunded; a COD order is closed without any charge.
- A parcel refused at the door because it arrived visibly damaged is not counted as a failed attempt; it goes straight to the damage process.

3. Cash on Delivery (COD)

- COD is available in all five delivery zones for orders up to 15,000 EGP.
- A COD service fee of 25 EGP applies to every COD order and is paid to the courier in cash together with the order amount.
- Please have the exact amount ready; couriers may not carry change for large bills.
- The courier collects the full order amount plus the 25 EGP fee in one payment; partial payment on delivery is not possible.
- COD orders cannot be cancelled once the parcel has been dispatched. If an undelivered COD parcel returns to us after 3 failed attempts, the order is closed without any charge.
- The COD service fee is not refunded once the parcel has been delivered to you.
- Refunds for returned COD orders are sent by bank transfer; see the Refund Policy for the exact timing.
- COD is not available for orders containing gift cards, which must be paid online.

4. Inspection, Damage, and Alternate Addresses

- Inspect before signing: you have the right to open the outer parcel and check the items in front of the courier before you sign.
- Check that the number of packages matches the delivery sheet, and that the outer box shows no crushing, water damage, or tears.
- If anything is missing or visibly damaged, write a note on the delivery sheet and either refuse the parcel or accept it with a damage note.
- Report a damaged parcel within 24 hours of the delivery date to support@nilecart.example with photos of the parcel and the items. Report a lost parcel as soon as the tracking status shows no movement for 48 hours.
- Carrier investigations take 5 to 10 business days. Confirmed damage or loss is resolved with a free replacement or a full refund including the shipping fee, at your choice.
- This 24-hour window applies to damage or loss at delivery. A defect you discover later while using the item is handled as a defective return under the Returns and Replacement Policy, within the normal return window.
- Alternate address: you can change the delivery address free of charge within 2 hours of placing the order by contacting support.
- After dispatch, address changes go through SwiftShip Egypt directly, may add 1 business day, and are not guaranteed once the parcel is Out for Delivery.
